

GEOCACHING AT WILLAMETTE PASS RESORT

This fun and outdoor oriented activity is a high-tech treasure hunting game that involves locating hidden containers, called geocaches, and is enjoyable for all ages and abilities. With over a dozen geocaches to find at or near Willamette Pass, it's a great way to spend the day, while also exploring your National Forest.

Using a handheld GPS device or GPS enabled smart phone, enter in one of the three available GPS coordinates affiliated with the geocache you wish to pursue and you're ready to begin.

For GPS enabled smart phone users, a geocaching application may be required before participating in the activity. The following applications may be downloadable through your phone's app/market store.
